GENERAL AND REVENUE SECRETARIAT.

Serial Nos. 1—13

PART B FOR September 1904

SUBJECT.

Rules for the occupation and preservation of Musafirkhanas —

SUBJECT. Rules for Musafirkhanas similar to those obtaining in regard to Travellers Bungalows:-

As directed by the Secretary paras 7,8.9,12,13,15 and 20 of the Regulations for Travellers Bungalows in Mysore have been copied with slight alterations as Draft Musafirkhana Rules, fresh para 7 having also been added as directed.

Sheet A

2. ~~Draft Musafirkhana~~ Rules as now in force have also been copied as paras 3 & 10. These may, if approved, be added on to the Rules. As there are no kitchens for the high caste Hindus attached to Musafirkhanas the portion marked [ ] in para 4 may be omitted.

3. It is also doubtful whether travellers occupying Musafirkhanas free of charge are entitled to the concession allowed by para 7 not to say of the inconvenience to which in the majority of cases the only watcher in charge will be put to in procuring supplies &c.

I do not think this matters. There is no harm if travellers are helped even as a free concession.

Dy Comptr. 18/8

Paras 7 & 8 of the draft Rules require Consideration.

Subs for orders.

Draft of Imusafar Khana Rules

Rule No.	As revised by the 1st Councillor	Dewan's note	Office note
4	Travellers are prohibited from shattering their horses or other cattle or vehicles within the verandahs of Imusafar Khanas. The personal baggage alone of travellers will be admitted into the verandah, carts being allowed into the Imusafar Khana Compound.	I am only opposed to this rule that only baggage will be allowed into the Compound, if it is meant that carts cannot go there. This requires elucidation and perhaps alteration also. Otherwise I agree with the Councillor	Orders are solicited as to whether the words "verandah, and carts being allowed into the" be added between the words "into the" and "Imusafar Khana" so as to admit of baggage being taken to the verandah and carts into the Compound.
7	No fees need be collected from persons who avail themselves of the accommodation provided in Imusafar Khanas unless they stay therein for more than a month in which latter case they shall be required to pay a rent not exceeding one rupee per month or fraction of a ~~month~~ month for every room occupied by them.	I hope this rule about rent for 2 months residence will not be taken as a permissive suggestion and I would not avoid to object to it — making the necessary direction in the order.	Submitted for orders as to whether a proviso may be added to Rule 7 as under. Provided that this shall not be construed as a permissive rule to occupy Imusafar Khanas for more than 3 days prescribed in Rule 1. JB 9/6/02

Verbatim from the Travellers Bungalow Rules (Rule 13).

25/6/04

The rule merely says that the travellers damaging any article in the Khansamah Kanas should pay for it: but the mode of levying the cost has not been defined. The Mysore Dist Board considering this point, asked for instruction & we have to clear their doubt I think. If the travellers run away without paying for the article damaged, how are the local officers to proceed? May we not say that the amount should be recovered like a revenue demand? - I am, Sir, Your

I experienced this difficulty on several occasions – On one occasion the doer of damage was a Govt. servant (viz Mr L. Ricketts I. G. of Police), & it was easy for me (notwithstanding his protests & remonstrances & his correspondence with the P. W. Dept &c:) to levy the cost of the article damaged by indicating an inclination & ask the Dy. Sp. to deduct the amount while passing pay. – In another case of a person who was not a Govt. servant – even threats of prosecution before a justice of the peace for mischief (for it was a case of wilful damage & a chair & a glass & a lamp & a table cover) were unavailing & when the matter was actually taken to the court of reference & the Company & Mr. the traveller was a servant was suggested. And when that course was adopted the Company furnished him but we did not get the cost of the chair. –

So, it is necessary, I think & I pass orders on the point raised for reconsideration. –

Draft of Musafirkhana Rules with amendments proposed.

Draft of Regulations for Musafirkhanas.	Amendments and additions proposed.	Remarks or orders.
1. No one may occupy the same Musafirkhana for more than three consecutive days if the accommodation is otherwise required, without the permission of the Amildar of the Taluk.	✓	V. C.
2. No person may occupy more than one room when the others are in demand.	✓	V. C.
3. The Deputy Commissioner may allot rooms according to castes and if so, the rooms may not be used by others who are not of similar caste.	The Kadur Dt: Bd. propose that rooms may be separately allotted to Vegetarians Hindus and non-vegetarians as it may not be possible to allot rooms according to castes. The Deputy Comr's opinion is that the rules are suitable and require no alteration.	Ordered. The word "Castes" may perhaps be altered into Vegetarian Hindus and non-vegetarians. The division may be into Brahmins, other Vegetarian Hindus and non-vegetarians. 11/4/0
4. Travellers are prohibited from sheltering thie		

dahs of the Musafirkhanas. The personal baggage alone of travellers will be admitted into the Musafirkhana compound.

5. Travellers will be held responsible for the damage done by themselves or their servants to the Musafirkhana or Furniture or other articles. All articles injured or broken must be paid for prior to the travellers' departure, according to the scale, if any, fixed by the Deputy Commissioner.

6. It is the duty of the person in charge of the Musafirkhana to report every violation of the foregoing regulations. The Amildar or other public servant on the spot should report to the Dy: Comr: every ill-treatment of the servants of the Musafirkhanas and generally any deviations from these rules which may come to his knowledge or be brought to his notice by the person in immediate charge of the Musafirkhana. The Master will be held responsible for any infringement of the rules by his servants.

7. No fees need be collected from the accommodation provided in Musafirkhanas. persons who avail themselves of which the charge therein for more than a month

Court Hall 16/3/01

The Mysore Distt: Board propose that the mode of levying the amount of damages to Musafirkhanas or the furniture therein should be prescribed and a book be maintained in Musafirkhanas for visitors' remarks.

Let the Rule as drafted stand. If at a new place a visitors' book is maintained

The Kadur Dt: Bd. propose that the provision requiring the Amildar to report to the Dy: Comr: every case of deviation from the rules may be omitted, discretion being given to him to report only cases of any grave dereliction of the rules. The Dy: Comr: is of opinion that the rules are suitable and require no alteration.

Agreed except

Kolar Dt: Bd. propose that the caretaker should be provided with a complete list of cooking utensils and other articles supplied by the Board and be held responsible that they are not lost or stolen and that the "Musafirkhana" should be amplified to "Musafirkhanas & Chatrams", which are the property of or maintained by the L. F. Bd. The Dy: Comr: opines that the amendment is unnecessary.

Agreed

yes C.

This may be left to the Dr/Comrs.

As no fees are levied the necessity of maintaining a book is not apparent. It seems desirable to keep a book for remarks by visitors

This is in accordance with the rules laid down for Travellers' Bungalows & requires no alteration. (Please see Rule 20 printed with Govt Pro No 15816-51 dt 4-6-1898.) Mis 215-96

This may also be left to the Dr/Comrs

Rules may not be quite necessary for coolies & foreigners. The Chatrams are under the Muzrai Deptt.
